
This is a set of downloadable materials for the Traveler's Guide to Latin America, which is a course in preparation for an A2 level qualification in Latin American studies. The course focuses on developing proficiency in written and spoken Spanish language skills, and it includes vocabulary lessons, grammar exercises and more. The materials include workbooks with the daily lesson plan, photocopiable handouts with key words and phrases from each chapter of the course book, an audio CD with practice sessions of all sections of the chapter exercises along with pronunciation tips and advice on using different types of media for learning: digital video (YouTube), podcasts (Blubrry), advertising (Podcast adverts) or music (Spotify). The workbooks and exercise sheets can be found on this page: <http://www.artofteaching.co.uk/latin-america-course> The downloadable workbooks and handouts can be found on this page: <http://www.artofteaching.co.uk/latin-america-course#purchase>
